

Co-working, Incubators, & Makerspaces

THE E-COMMUNITY PARTNERSHIP A NETWORK KANSAS ENTREPRENEURSHIP PROGRAM

Co-working Space: A space that involves a shared work environment for members that are not usually employed by the same company.

Business Incubators: A company or entity that helps new and startup companies to develop by providing services such as management training or office space.

Makerspaces: A community center that provides technology, manufacturing equipment and educational opportunities to the public.
